

Please STOP Sinclair Broadcasting from illegally showing the anti-Kerry "documentary" Stolen Honor in the 2 weeks before the election!

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation. To my knowledge, it is also against federal law to air blatantly partisan programming without equal time for opposing views, especially in an election season.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. As they are clearly showing blatant disregard for the public interest, I am asking you as the overseeing body to prevent them from airing this program, or to require them to provide equal time to a pro-Kerry show.
